SARA Participation Statement

Elizabeth City State University participates in the National Council for State Authorization Reciprocity Agreements (NC-SARA), which establishes comparable national standards for interstate offering of postsecondary distance education courses and programs. Through its participation in NC-SARA, ECSU is authorized to offer distance education courses and programs to students located in other SARA member states, subject to state-specific requirements and limitations.

Professional Licensure Disclosure

The Special Education (B.S.) program is designed to meet the educational requirements for teacher licensure in the state of North Carolina. Professional licensure requirements vary by state. ECSU has determined that this program does not meet or has not determined whether it meets educational requirements for licensure in states outside of North Carolina. Students who intend to seek licensure outside of North Carolina are strongly encouraged to review the requirements of the appropriate licensing agency in their state prior to enrollment.

Direct Disclosure Requirement

In accordance with federal regulations, if a student is located in a state where the Special Education program:

Elizabeth City State University will provide direct written notification to the student prior to enrollment or within 14 calendar days of becoming aware of the student's location.

Students may be required to complete an attestation acknowledging this information before continuing in the program.

Student Location Statement

Determinations regarding whether a program meets educational requirements for professional licensure or certification are based on the student's location at the time of initial enrollment. Requirements may change, and students who relocate during their program should consult with their program advisor and the appropriate licensing agency.

Student Responsibility

It is the responsibility of the student to:

- Confirm licensure requirements in their state of residence
