Institutional Effectiveness Research and Assessment (IERA) Office has retired the static version of the fact book and replaced this resource with interactive data views and/or links for similar data beginning 2017-18 year. In hopes of making this a smooth transition, IERA will continue to post the archived fact books on our website.

To view a graph larger, click on the graph and then click on the focus mode icon in the top right corner above the chart. This will enlarge the graph to full screen. If a graph has drill down capability to show additional detail, an arrow will be visible in the top right corner above the chart. Click on this icon once to enable drill down functionality. Once it is enabled, click on the graph to drill to detailed data. The arrow on the top left corner of the chart returns the chart view to the higher aggregate view level.

To export data, click on the graph and then click on the more options icon in the top right corner above the chart. This will prompt you to select a location to save the generated .csv file of the data.

FactBook 2016-2025 - Historical Highlights

Founding

On March 3, 1891, Hugh Cale, an African American representative in the N.C. General Assembly from Pasquotank County, sponsored House Bill 383, which established a normal (teaching) school for "teaching and training teachers of the colored race to teach in the common schools of North Carolina." The bill passed, and the origin of Elizabeth City State University was born.

Early Leadership

The first leader, Peter W. Moore, was called a Principal (subsequent leaders would be called President, then Chancellor). Moore served as Principal and then President until his retirement as President, Emeritus, on July 1, 1928. During his tenure, enrollment increased from 23 to 355 and the faculty from two to 15 members.

During the tenure of the second president, John Henry Bias, the institution was elevated from a two-year normal school to a four-year teachers college (1937). Two years later, the institution's name was officially changed to Elizabeth City Teachers College on March 30, 1939. The growth and elevation to teachers college changed the mission to include training elementary school principals for rural and city schools. The first Bachelor of Science degrees in elementary education were awarded in May of 1939.

Continued Growth

Between 1959 and 1963, the institution became more than a teaching college, adding 11 academic majors to the original elementary education major. In 1961, the college joined the Southern Association of Colleges and Schools accrediting group (SACS) and maintains its accreditation with that body to the present. In 1963, the N.C. General Assembly changed the institution's name from Elizabeth City State Teachers College to Elizabeth City State College and on July 1, 1969, the college became Elizabeth City State University. In 1971, the General Assembly redefined the University of North Carolina system with 16 public institutions, including ECSU. Together, those institutions became constituents of The University of North Carolina (July 1972).

Today

Academics. Currently ECSU offers over 30 academic programs of study. From business to music to aviation and education, ECSU prepares students to compete in the global work force.

We achieve our commitment to the highest quality education by maintaining a rigorous focus on academic excellence through liberal arts programs and using innovative and flexible technology-based instruction models to enhance our signature areas: integrating technology with education, improving human health and wellness, and advancing the natural and aviation sciences. As of May 2018, undergraduate and/or graduate degrees have been conferred upon more than 20,000 students.

On December 14, 2018, Dr. Karrie Dixon was named 12th Chief Executive Officer and 7th Chancellor of Elizabeth City State University.

Upon her arrival, Dr. Dixon quickly demonstrated her ability and interest in forging the University forward, giving special attention to increasing ECSU's enrollment. In 2018, first-year enrollment increased by 20%, total undergraduate enrollment increased by 19% and transfer enrollment increased by 57%. Since 2018 enrollment has climbed nearly 40%, in part because the North Carolina General Assembly authorized a special tuition-reducing program called NC Promise. She has worked vigorously to improve the institution academically, financially, and physically. Under her leadership, The UNC Board of Governors appropriated \$2.3M for repair & renovations for campus improvements, ECSU received a USDA loan, the university increased its fleet from 2 to 12 aircrafts for ECSU's signature aviation program. Also contributing has been the establishment of new degree programs: Digital Media, Unmanned Aircraft System and online programs-Interdisciplinary Studies, Homeland Security, and a Master of Education in Elementary Education.

Under Dr. Dixon's leadership, thus far 2021 had the highest yield in grant awards since 2012. The university received \$15 million in CARES Act funding, \$3.5 million in Title III U.S. Department of Education funding, \$925,000 from the U.S. Department of Education's FUTURE Act Funding, and more than \$5 million in sponsored grant funding from various sponsors. From 2021 to 2023, ECSU has been awarded new grants from agencies including the National Science Foundation, the National Institutes of Health, the U.S. Department of Education, the U.S. Department of Commerce and U.S. Department of Homeland Security, to name a few. In 2020, Dr. Dixon launched a five-year strategic plan, "Forging Our Future." Dr. Dixon continues to receive numerous accolades that demonstrate her leadership. She has been named the "The Ten Most Dominant HBCU Leaders of 2020" and was awarded The Old North State Award by North Carolina Governor Roy Cooper.

FactBook 2016-2025 - Historical Location

Located in the historic Albemarle area near the mouth of the Pasquotank River, Elizabeth City State University offers students the opportunity to receive an excellent education while enjoying a wide variety of recreational and cultural amenities. Favored by a mild climate and proximity to the world renowned Outer Banks recreation area, ECSU has features that help make student living and learning both exciting and fulfilling. In addition, the university offers students a variety of social programs, cultural programs, religious and musical organizations and clubs. Honor and Recognition societies, as well as fraternities and sororities are also available to students. ECSU also has a variety of athletic sports events.

Students may also wish to take advantage of the historical sites in the greater Albemarle and southeastern Virginia areas. Williamsburg, Jamestown, Roanoke Island, Yorktown, several antebellum plantations, beaches and waterways are among sites within an easy drive from the campus.

United States Highways 17 and 158 make the city and the university easily accessible by automobile. City bus routes, hotels and motels are available to accommodate overnight visitors, and the university is just over an hour's drive from the Norfolk (Virginia) International Airport.

The university is situated on 114 acres which represent the campus proper. Another 68 acres comprise the former farm on Weeksville Road (N.C. 34); a 639-acre tract in Currituck County helps preserve the nation's diminishing wetlands and provides for educational research; and 35 acres serve residential or expansion purposes. There are also small sites in Utah and Virginia used, respectively, for geological instruction and institutional enhancement.

FactBook 2016-2025 - Mission and Vision Statement

Mission Statement

Elizabeth City State University ensures access to excellent, student-centered, experiential learning. ECSU offers bachelor's, professional, and master's degrees. Through practical education, applied research, and public and private partnerships, we prepare a diverse student body for personal and professional success to positively impact the region, state, nation, and beyond.

Vision Statement

Elizabeth City State University will be a premier public institution and a leading partner for economic, social, and environmental progress. We will be a destination institution that develops leaders who will make a positive difference now and in the future.
